

## ALU Models

# Adjustable Aluminum Extension Columns For Flat-Panel Mounts, Projector Mounts and Ceiling Plate Accessories

Featuring a sleek design that looks great in any room, the ALU Aluminum Adjustable Column is lightweight, strong and easy to install, whether the flat-panel is suspended from a standard or cathedral ceiling. Ample internal space allows multiple cables to be quickly routed and neatly hidden away for a fast installation and seamless presentation. Adjusting and readjusting is easy thanks to an incremental locking system, making the ALU ideal for varying lengths required for exhibit, retail, residential and digital signage applications.

Max load: 500lb (226.7kg)

### FEATURES

- Made of lightweight aluminum for easy installation and lower-cost shipping
- Clutter-free interior cable management
- Locking slot design enables easy, flexible height adjustment at 1" (25mm) increments
- 1.5" x 11.5 NPT (38mm) schedule 40 pipe, threaded on both ends

#### FAST SETUP

Built-in cable management enables quick routing of cables through the column for a fast setup

#### SIMPLE TO ADJUST

Glide the column to the desired length and lock it into place

Available in black, white and silver to match flat panel displays, projectors and ceiling mount surfaces

**ALU Models:** Adjustable Aluminum Extensions Column for Flat-Panel Mounts, Projector Mounts and Ceiling Plate Accessories
